

WEST EALING AND HANWELL BROADWAY NEWS

SEPTEMBER EDITION

THANK YOU EALING FOR VOTING GREEN!

EALING GREEN PARTY SMASH ALL PREVIOUS RECORDS IN GENERAL ELECTION

Neil, Kate and Natalia celebrate!

Ealing Green Party recorded outstanding results in the recent General Election. Neil Reynolds finished 3rd in Ealing Southall, as did Natalia Kubica in Ealing North. **This was a first in both seats and huge progress!**

Dr Kate Crossland saw a big increase in vote share in Ealing Central and Acton, finishing with just over 11% of the total votes cast. All three candidates are delighted that the current parliament now has **4 Green MPs to work for real hope and real change**, and look forward to sharing news of Green success stories.

“We know how much Green issues mean to the people in Ealing – it’s wonderful to be able to send that message to Government”
Neil Reynolds, Chair, Ealing Green Party

EALING BEAVERS: PIONEERING PROJECT SHOWS AMAZING EARLY SUCCESS

Beavers are now living alongside us in Ealing! A pioneering project supported by Ealing Wildlife Group has released wild beavers into a secure area in Greenford. The beavers have already had babies!

Kate Crossland, one of our General Election candidates, loved joining a tour: “**Seeing beavers in London is so exciting!** They are already reducing flooding and bringing more diverse wildlife to the area”.

The project team want to hear the view of local residents- how do you feel about learning to live with beavers? Scan the QR code to share how you feel about the project.

CARELINE: COUNCIL MUST REVIEW DECISION

CAMPAIGNERS CALLING FOR DECISION TO BE REVERSED

Ealing Council closed its Careline service in March this year. Local campaigners from **Ealing Reclaim Social Care Action Group** are **appalled** and are looking into an official complaint to the Council.

Green Party campaigner and NHS doctor Kate Crossland explains: “**Services like CareLine keep people safe at home, relieve pressure on carers, and help stop unnecessary hospital admissions. We will support ERSCAG to put pressure on the Council to review this decision**”. Keep up to date with news on this and other social care issues at erscag.org.uk.

Kate speaking about social care

NEWS IN BRIEF

LIBRARY OF THINGS NOW OPEN: You can now borrow tools and equipment from the new ‘Library of Things’ in Ealing Broadway shopping centre. There is a small charge but **much cheaper than buying your own**, and better for the planet too.

LONDON CYCLING SURVEY: London Cycling Campaign are looking for your views on cycling in London- **please take their survey** here: tinyurl.com/LCCsurvey24

BECOME A MEMBER AND JOIN OUR GROWING TEAM

Green Party membership is growing both in Ealing and nationally. **Come and help us get Ealing’s first Green Councillor elected!** There are many different ways to get involved, and we’d love to hear your views on the good and bad about our local area.
